MCPARC is taking an exciting new adventure to ride the railbikes with **Tracks and Yaks**. Depart from the beautiful and historic Frostburg Depot. Pedal and coast (mostly coast) alongside the Great Allegheny Passage along the mountain ridge, through Brush Tunnel and lean into Helmstetter's curve. Enjoying the view of the colorful mountain leaves on this ride in October. This ride is suitable for all ages and abilities. It is a ride with a slight continuous downhill grade. As long as you can sit stable in your seat with a back and one person on your 4 person cart can pedal some you'll get to where you need to go! Rail biking is not physically strenuous, it has been said that the hardest part is getting on your cart. So sit back, enjoy and appreciate the spectacular mountain views and railroad history as you coast by.

The cost for this trip is \$125.00 per person and will include the round-trip bus ride, exciting ride on the railbikes, and dinner buffet at Penn Alps Restaurant. A \$50.00 non-refundable deposit is required to hold your spot at the time of your reservation. The balance in full will be due by **August 22, 2025**.

The bus will leave from the Fairmont Walmart parking lot at 12:15 pm on Saturday October 4, 2025. Return ETA is 9:00 pm.
